

About Us

Recovery Revolution, Inc. (RRI) was formed in 2005 to fulfill the Slate Belt Region's need for affordable addiction treatment programs for teens and adults.

The manifestation of a lifelong dream for two experienced counselors; RRI is an independent facility that is affordable, accessible, and most importantly, client driven and effective.

RRI is a fully licensed for outpatient, intensive outpatient, and partial services. Our mission is to promote healthy, responsible, and individualized treatment for addictions through programs responsive to family and community needs. RRI has a friendly and compassionate clinical staff, all with a specialty in the Addictions Field (including gambling addiction and family programs) and are Bachelor's or Masters Level Certified/Licensed Clinicians.

Recovery Revolution is a 501(c)3 charity and has helped over 5000 children, adolescents and adults since 2005. We are proudly "grass roots" in form, work with many different organizations, and embrace the community of which we are proud to be a member. Over 80% of the clients which RRI serves report annual income at or below the federal poverty standard.

"Steps to Recovery" 10th Annual Event

Simply stated, client demand continues to grow to levels which required RRI to continue providing free/reduced services. Large deductibles, copays, and new regulations have caused an increased number of clients to need access to our scholarship funding. In order to accomplish this, we need sponsors. Our funding priority for scholarship is adolescent treatment. Easton School is a district that we provide addiction treatment directly in their schools

We are continuing our partnership with Easton Schools Easton Middle School (1010 Echo Trail Rd) will be hosting this year's event. This opportunity helps to get teenagers involved in fundraising and be a part of community action. RRI is planning three events in one. For the first 90 minutes, we will host a Tricky Tray and Food sampling Extravaganza. The "Classic Cuisine and Culinary Treats" we have partnered with local chefs/restaurants to provide their signature dish. We will be hosting a Comedy show with three different comedians. Headlining the show will be EASTON's own Liz Russo. Please consider helping us keep these vital programs available to those who are willing to work to make their lives productive again. RRI will also be donating a portion of the proceeds to Easton PTO to assist with their fundraising efforts.

ENTERTAINMENT+NIGHTLIFE

Inspiring and self-deprecating in turn, comedian Liz Russo shares her life's struggles and triumphs in her act. She is the reigning three-time winner of Best Comic of the Lehigh Valley named by Lehigh Valley Style Magazine. Her personable and wry delivery has made her a hit at comedy clubs and festivals across the country, scoring opening slots for celebs like Colin Quinn, Gilbert Gottfried, Dave Chapelle, and Lisa Lampanelli. Liz has been featured on SiriusXM and the YKWD Podcast, as well as appearances on FOX TV, CBS, and Amazon. Russo is a recovering alcoholic and has spent time in jail, on parole, and in rehab institutions. She draws from her personal experience as a plus size model, her struggles with weight loss, and maintaining a positive body image. She openly discusses being unmarried, childless at age 40, and her alcoholism recovery. She is now celebrating 8 years of sobriety and continues to regularly give back to the recovery community.
